## SDX File & Serve

D&R Legal Process Service, LLC has partnered with Lawdex Corporation and their technology to provide rapid service of process to all of our customers over the web. As always, you'll be working directly with D&R Legal Process Service, LLC. We will manage and deliver all services. Lawdex provides your online payment and delivery portal through their Secure Document Exchange (SDX), allowing you to initiate and track all of your services over the web.

D&R Legal Process Service, LLC. has adopted the Lawdex technology to speed service of process, court filings, court research and legal correspondence through your office and the legal community. Using SDX File & Serve, your firm's attorneys and legal staff can rapidly initiate nationwide service of process or court filing and research in all California counties.

As our client, you will also be able to track your job status online. All work is archived with its associated affidavits and conformed copies safely and securely online. All standard or client contract rates apply. Additional charges will apply for Rush and Same Day/24 hour service. In some circumstances other charges or discounts may apply, in which case we'll notify you of in advance.

To Register and/or Initiate Service of Process, Court Filing or Court Research please click on the appropriate SDX File & Serve button from any of our web pages or click the link below.
